

## **IN THE CLAIMS**

Please amend the status of the claims to that as indicated below:

Claims 1-24 (canceled)

25. (previously presented) A method for enlarging the size of a human breast and for sustaining the larger breast size, comprising the steps of:

applying cocoa butter to a human breast for a larger breast size of the human breast as compared to breast size prior to said step of applying cocoa butter; and,

applying Vitamin E to the human breast of said larger breast size for sustaining said larger breast size.

26. (previously presented) The method for enlarging the size of a human breast and for sustaining the larger breast size according to Claim 25, wherein said step of applying cocoa butter and said step of applying Vitamin E are performed simultaneously.

27. (previously presented) The method for enlarging the size of a human breast and for sustaining the larger breast size according to Claim 25, wherein said step of applying cocoa butter is performed prior to said step of applying Vitamin E.

28. (previously presented) The method for enlarging the size of a human breast and for sustaining the larger breast size according to Claim 25, wherein respective amounts of cocoa butter to Vitamin E are applied in a ratio of 18:1.

Claim 29 (canceled)

30. (previously presented) The method for enlarging the size of a human breast and for sustaining the larger breast size according to Claim 25, wherein 400 mg of Vitamin E are applied to the human breast in said step of applying Vitamin E.

Claim 31 (canceled)
